Card payment fury at Co-op and Morrisons

THE Co-op and Morrisons have confirmed an ongoing issue affecting card payments from being processed in some of their stores.

Long queues were seen outside some of the Co-op's convenience stores from Sunday amid the snow and customers were encouraged to pay using cash.

The problem is due to an issue with a real-time payments processing provider ACI.

Multiple customers took to Twitter and Facebook to complain about the queues.

The issue comes as contactless payments have taken off in the UK during the pandemic, with fewer consumers using cash to pay for groceries.

Some self-service checkouts at Co-op stores had to be closed, requiring customers to queue to be served at tills manned by staff.

Shut schools having 'calamitous' impact

KEEPING schools closed is having a "calamitous" impact on children, some of the UK's top paediatricians have warned as they called for teachers to be prioritised for a vaccine.

The group said they were witnessing an "acute and rapid increase in mental health and safeguarding cases", with parents suffering breakdowns and other psychological stress due to home-schooling.

Ministers have insisted it was the government's "absolute priority" to re-open schools as soon as possible.

Holland burns as lockdown riots continue

PROTESTERS defying a curfew in the Netherlands have again clashed with riot police, leading to more than 150 arrests.

In Rotterdam, police fired warning shots and tear gas after an order issued by the mayor failed to move demonstrators.

Unrest started over the weekend as protesters kicked back against newly imposed coronavirus restrictions.

Prime Minister Mark Rutte has condemned what he called "criminal violence".

The Netherlands has had nearly one million COVID cases since the start of the outbreak, with more than 13,500 deaths.

There were further violent scenes in several cities across the country on Monday night.

Riot police clashed with protesters in Amsterdam as well as Rotterdam, Amersfoort and Geleen. Police in Rotterdam said a number of officers were hurt.

Fires were lit on the streets of The Hague, where police on bicycles attempted to move small clusters of men who threw rocks and fireworks.

In the southern city of Den Bosch, rioters set off fireworks, looted a supermarket, broke windows and overturned cars.

A number of arrests were made in Amsterdam and the mayor appealed to parents to keep young people indoors.

SUMMER HOLIDAY? FORGET IT!

Minister warns it's too early to book break

By SUZIE SHELDON
news@sundaysport.co.uk

IT is "far too early" for lockdown-weary Brits to be thinking about booking a summer holiday, a minister has said.

Asked if people should hold off on booking a trip at home or abroad, vaccines minister Nadhim Zahawi replied: "Absolutely."

He said: "I think it's far too early. There's still 37,000 people in hospital with COVID at the moment.

"It's far too early for us to even speculate about the summer."

Mr Zahawi was speaking ahead of a meeting of senior ministers yesterday to consider further COVID-19 travel restrictions.

Ministers are to require travellers arriving in the UK to pay to quarantine at a designated hotel.

It is not clear how long such a measure would need to be in place for.

Government insiders claim the measures could last long after the domestic lockdown ends.

The continuing rollout of coronavirus vaccines across the UK has raised hopes that life could start to return normal in the months to come.

But a number of uncertainties around the pandemic remain.

It is not known yet whether vaccines impact upon the transmission of the virus.

There are also worries that new variants of the disease, including ones first identified in South Africa and Brazil, could prove resistant to vaccines.

WAIT FOR IT: Zahawi

Pandemic is hammering jobs market

BRITAIN'S jobless rate has soared to its highest level for more than four years, as official figures showed nearly 830,000 workers have been taken off UK payrolls since the start of the pandemic.

The Office for National Statistics (ONS) revealed the unemployment rate reached 5% in the three months to November for the first time since early 2016 – after another 202,000 people lost their jobs.

Figures for December also showed there were 828,000 fewer Britons on company payrolls since before the crisis struck last February, as the pandemic has hammered the jobs market.

Experts warned of further pain to come after the latest lockdown rips through the labour market.

ONS head of economic statistics Sam Beckett said: "In the three months to November, on our survey data, the employment rate fell sharply again, while the unemployment rate rose to hit 5% for the first time in over four years.

"The number of people saying they had been made redundant in the previous three months remains at a record high.

"Meanwhile, vacancies, which were rising in summer and early autumn, have been falling in the last couple of months."

UK death toll tops 100,000

THE UK death toll from COVID has topped 100,000.

The data from the UK's national statisticians show there have been nearly 104,000 deaths since the pandemic began.

The figures, up to January 15, are based on death certificates. The government's daily figures rely on positive tests and are slightly lower.

It comes after a surge of cases in December, leaving the UK with one of the highest COVID death rates globally.

The Office for National Statistics and its counterparts in Scotland and Northern Ireland registered 7,776 deaths involving COVID in the most recent week.

Nearly three-quarters of those who have died with COVID are over 75.

8% EFFECTIVE VACCINE A KRAUT LIE

THE German health ministry has admitted that a claim reported in the Kraut press that the Brit-made Oxford/AstraZeneca Covid vaccine doesn't work is a LIE!

Scientists slammed the spurious claim after it was published by German newspaper Handelsblatt.

It said government sources had warned the jab only appeared to be 8% effective – but didn't publish any data to prove it.

Oxford University rubbished the report, saying there was 'no basis' for the allegation, and that their data has already been 'released transparently'.

AstraZeneca, manufacturing the jab on behalf of Oxford, said it was 'completely incorrect'.

And scientists said they had 'no idea' where the 8% figure has come from, adding it was not proved by research on the vaccine.

Germany has now confirmed there is no data to suggest the effectiveness of the vaccine is that low and the European Medicines Agency will decide whether to approve the jab on Friday.

A correspondent at the German paper said senior sources in the government had given him the figure without scientific data.

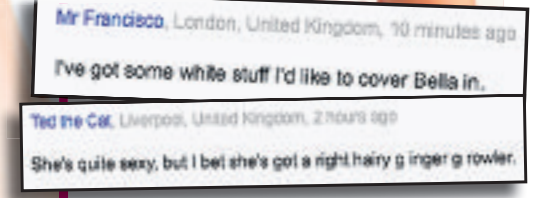
LITTLE BELLA THORNE SPUNK SHOWER HELL

WHITE OUT OF ORDER: Bella and comments



Mr Francisco, London, United Kingdom, 10 minutes ago

I've got some white stuff I'd like to cover Bella in.

Ted the Cat, Liverpool, United Kingdom, 2 hours ago

She's quite sexy, but I bet she's got a right hairy g inger g rowler.

WE all love frolicking in the snow – and former child star Bella Thorne's no different.

But now little Bella is all grown up and adding a red-hot dash to a chilly scene – by posing in her undies in the white stuff.

The *Dirty Sexy Money* star shared her sexy photos and videos of herself online.

The Florida native, 23, raised her right arm as she licked her lips in one snap that was taken on outdoors decking in the chilly snow wearing a sexy see-thru outfit.

By GRACE HOOPER
news@sundaysport.co.uk

The *Midnight Sun* babe also struck a more happy and playful tone when she flashed a big smile in a second shot in the same revealing kit, along with layers of rhinestone jewellery.

Fresh

Bella captioned her snaps: "Fresh face, good morning."

But when the photos were reported on the website of the hateful Daily Mail, sex creeps as usual crawled out of the woodwork.

And one of them even suggested he'd like to ejaculate sticky ribbons of not SPUNK out of his hard COCK all over Bella's naked BODY.

Using the pseudonym Mr Francisco, the crude commenter leered: "I've got some white stuff I'd like to cover Bella in."

Meanwhile, Liverpool's Red the Cat shuddered: "I bet she's got a right hairy ginger growler."

A pal of Bella's said: "For someone to wonder about the state and hairiness of Bella's private parts is bad enough.

"But for a perfect stranger to suggest he wants to coat her head to toe in freshly-squirted ejaculate – and, no doubt, rub his salty seed into her stiffening nipples while fingering her sodden slot – is wholly inappropriate."

DRIVERS FACE DANGER – FROM 10FT SNOW COCK!

A TEN-FOOT tall snow penis appeared at a roundabout – but safety groups say it could cause an accident!

The snowy phallus appeared at the junction just outside Borås, Sweden, after heavy snowfall.

According to motorist Perra Larsson, it has become something of a tradition for such a snow sculpture to appear at the roundabout.

He said: "This is the fifth year it has been there. And I think it's a fun thing."

But as it stands in the middle of a roundabout, the snow penis – complete with veins and a skilfully-crafted glans – poses a safety risk, according to the Swedish Transport Administration.

Spokeswoman Sofia Lindahl said: "There must be no signs or artistic expressions that disturb the traffic environment and safety.

"If we find so during inspections, we remove it."

Women shocked by goatee beard man pulling pud

COPS are hunting a man who furiously masturbated in broad daylight in a public park – as temperatures plunged below zero.

Detectives are appealing for witnesses after the lewd incident in Queens Park, Glasgow, on Saturday.

Officers from Police Scotland were alerted after two women spotted the man exposing himself and carrying out the act at around 2pm.

A full search of the park *(above)* was carried out, but they did not find the culprit.

Cops said the man was of Asian appearance, aged 25-35 and wearing a turquoise coloured top with blue jeans and a black coat.

He had a goatee beard and wore an earring in his right ear.

Detective Inspector Craig McPhail said: "The woman who reported seeing this man was distressed by this incident.

"She was approached by another woman who had also seen him, but she had left the park before police arrival and I would ask her to contact us."

19 shot and burned bodies found at drug smuggling hot spot

COPS in Mexico found 19 bodies – many of them burned and shot – in a remote area near the US border that is known for drug smuggling violence.

The bodies were found in an uninhabited region of Tamaulipas, about 40 miles south of Rio Grande City, Texas.

Responding to a tip about a burning vehicle, officials discovered the corpses inside and on the back of a burned-out pickup truck.

A second charred vehicle was found nearby.

"Preliminary investigations point to the cause of death being shots from firearms and then the bodies set on fire," prosecutors said.

The area is known for "constant fights between rival criminal groups that traffic drugs, arms and migrants", an anonymous source said.

The 50-year-old *Good Morning Britain* stalwart has been doing more than anyone else on telly to keep Britain's end up during the misery of lockdown.

Amanda: I don't know if BGT has been axed

BRITAIN'S Got Talent judge Amanda Holden has said there are "still discussions going on" as to whether the show will be filmed this year.

Her comments come amid reports the programme may have been axed for 2021 over coronavirus fears.

An ITV spokesman declined to comment on the reports.

Holden *(above)* said on her Heart Breakfast show she has been told the programme is "on hold" for this year.

"I think there are still discussions going on, because it's a big old show and there are a lot of people who are employed behind the scenes, so it's one that needs to be discussed a bit more in length," she said.

Holden, 49, added: "I think the producers are very keen not to let anyone down, so I think it's still under discussion, let's say."

The presenter said she does not think the talent show should go ahead without a live audience, which she has labelled the "fifth judge".

Lidl say thanks a lot to staff – with £200 bonus

MORE than 23,000 UK workers at supermarket Lidl are to get a £200 bonus in recognition of their hard work during the pandemic.

The German discount chain will dish out the payment to all its shop staff and frontline employees – including customer assistants, warehouse operatives and cleaners – across more than 800 stores and 13 distribution centres.

It will also award a £100 "thank you" bonus to around another 1,800 office-based staff.

The pay packet extras will cost Lidl around £5.5million.

Christian Hartnagel, chief executive of Lidl's UK business, said: "It has been an extremely challenging period and our teams have done a phenomenal job in helping to keep the nation fed."

CORRIE FANS SNIGGER AT GAIL'S OLD FANNY!

BIG HUNT: Gail is searching for her old Fanny

***CORRIE*'s Gail Rodwell had viewers in stitches when she embarked on a mission to find her long lost FANNY.**

Gail – played by *Coronation Street* veteran Helen Worth – found herself puzzled when she discovered there was a Fanny in the family.

The matriarch was returning some old boxes of photographs from the factory to No 8, when she came across a picture of a woman named Fanny – which is also a popular British term for a lady's private parts.

By COLIN HURST

Michael Bailey, who is played by Ryan Russell, found the whole thing rather amusing.

Mysterious

Much to his obvious delight, Gail exclaimed: "I've never heard of any Fannys in the family."

Referring to her *Street* son, she chided: "You're as bad as David!"

She then set off to do some investigating into the mysterious Fanny, saying: "I'll give my mum a ring, see if she knows. I wonder where Fanny fitted in?"

As sure as night follows day, Twitter was soon lit up witha stream of sniggering social media fans.

Jonathan Harvey posted: "Gail's Fanny is really putting a smile on my face this evening."

And Nicole.rxo said simply: "Gail force fanny."

WOMAN STABS HUSBAND OVER THEIR SEX PICS

A FUMING wife STABBED her hubby after she found pictures on his mobile of him having sex with "another" woman.

But the stroppy missus had not realised the saucy snaps were actually of HER – taken before she ran to fat!

The woman, who was identified by police only as Leonora R, was arrested after cops were called to her home to reports of a domestic row.

When officers arrived they found Leonora's hubby, named only as Juan N, had been stabbed many times on his legs and arms.

The violent attack was reportedly sparked after Leonora found explicit photos on Juan's mobile phone, showing him having sex with whom she believed to be another woman.

Without giving him time to explain himself, Leonora allegedly began stabbing Juan over and over again, while at the same time hurling insults at him.

Police said Juan was eventually able to wrestle the knife out of his incensed wife's hands, and asked her what photos she was talking about.

He then explained to her that the photos were actually of him and Leonora taken years earlier when they were just dating.

It seems that Leonora didn't immediately recognise herself because the woman in the images was younger, much thinner and wearing her make-up.

Juan told police he then explained to his wife that he had recently found the images in an old email and saved them to his phone.

She soon realised she was the woman who was depicted, reports say, and was apologetic.

Nevertheless, she was taken into custody in Sonora, Mexico, and remains behind bars pending charges.

Fancy a nosh while we wait for the bus?

A RANDY couple were filmed having what appeared to be an oral sex romp at a bus stop.

Cops say they have tracked down the young man and woman after a horrified taxi driver videoed them in Jakarta, the capital of Indonesia.

Reports say the pair were caught having a risky outdoor romp while waiting at a bus stop in the Kramat Raya district.

Footage shows the woman sitting on the bench *(above)* as the man faces her with his hands on her shoulders.

A group of people went over to confront the exhibitionist couple, but they fled when they saw them approaching.

Police said they had identified two suspects and arrested them.

They were taken into custody and questioned on suspicion of outraging public indecency.

The Indonesian authorities take a very dim view of such antics. The couple face three years in jail or even a public flogging.

Ticked-off teen 'gunned down' family members

The alleged killer, who has not been named because of his age, was arrested after cops tracked him down to the suburb of Plainfield in Indiana.

His younger brother was critically wounded in the bloodshed but lived to tell officers that his sibling was enraged over being reprimanded by their father for taking off without permission.

Star's no-no to 'grunting' sex scenes

By JAYNE FERGUSON
news@sundaysport.co.uk

KEIRA Knightley has revealed she now refuses to appear in sex scenes for her film roles IF they are being directed by men.

The actress, 35, admitted she feels "very uncomfortable" exposing her body on a film set since giving birth to her two daughters.

Keira, who has previously stripped off for racy scenes in films such as *Atonement*, *The Aftermath* and *Colette*, said she'd only agree to strip off for a future role if she knew the picture had a female director.

Keira told the Chanel Connects podcast: "It's partly vanity [but] partly also… it's the male gaze.

"I feel like if I was making a story that was… about that journey of motherhood, that journey of body [acceptance], I feel like I'm sorry, but that would have to be with a female filmmaker. I don't have an absolute ban, but I kind of do with men."

Keira added: "I don't want it to be that kind of, ugh, those horrible sex scenes where you're all greased up and everybody's grunting. I'm not interested in doing that."

The Oscar-nominated actress said that while she appreciated how some sex scenes might add artistic value to a film, 'someone else' should do them.

She added: "I'm too vain, the body has had two children. I'd just rather not stand in front of a group of men naked."

Keira said she'd be interested in exploring the 'unfathomable' way motherhood changes women's relationships to their bodies – but only with a female filmmaker.

Naked runner stole and crashed cop car

A NAKED man stole a cop car before crashing it in the woods.

Joshua Shenker, 22, was arrested on charges including theft of a motor vehicle, aggravated battery on a law enforcement officer, depriving an officer of means of communication or protection, and resisting an officer without violence.

Officers responded to reports of a naked man running along a busy road in broad daylight in west Jacksonville, Florida.

Shenker was lying in the roadway when an officer stopped.

Shenker then ran across the highway lanes toward the officer, but the police report did not reveal how he stole the patrol car.

About $10,000 worth of damage was done to the vehicle in the crash.

Airport security guard's 'show me your boobs' trick

AN airport security agent who tricked a passenger into showing him her breasts has been jailed for 60 days.

Johnathon Lomeli pleaded no contest to a count of false imprisonment over the incident at Los Angeles International Airport.

He was also barred from working as a security guard.

The female airline passenger told authorities that Lomeli stopped her, claiming he needed to look into her bra at a security checkpoint.

He also told her to hold out her waistband so he could look down into her pants.

The woman said Lomeli took her to a lift, where he asked her to lift her shirt and expose her breasts.

He then looked down her pants once more before telling her that she was free to go and complimented her breasts, prosecutors said.

AS JOE BIDEN FINISHES HIS FIRST WEEK IN THE WHITE

WHY ARE SO MANY PRESIDENTS SEX MANIACS?

By SIMON DEAN
simon@sundaysport.co.uk

NEW US President Joe Biden is only a week into the job and is ALREADY mired in sex allegations.

The 78-year-old took over at the White House last Wednesday, still under a cloud of claims of questionable behaviour.

Mr Biden – dubbed "Sleepy Joe" by Oval Office predecessor Donald Trump – has been criticised for his refusal to apologise for some of his past controversies.

In March 2020, ex-Senate aide Tara Reade alleged Biden FINGERED her while she worked for his office in 1993.

Touching

He denies that allegation but eight women, including Reade, have accused Biden of touching them inappropriately or invading their personal space in ways that made them feel uncomfortable.

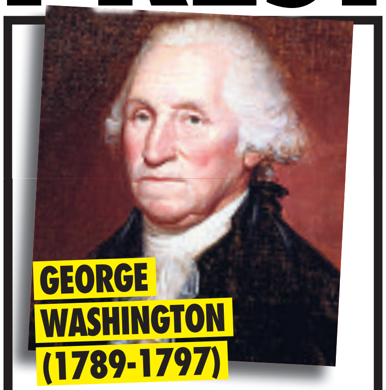
Biden released a video after Reade's initial allegations were made public but was criticised for giving what critics deemed a "non-apology apology".

He had said he would try to do better moving forward, but later said he's "not sorry for anything that I've ever done".

The truth is that the idea of a c**t-struck leader of the Free World is nothing new.

Look at some of the people who also held the keys to the most important office in the world...

NEW MAN ABOUT THE HOUSE: 'Sleepy Joe' is sworn in as President



GEORGE WASHINGTON (1789-1797)

AMERICA's first president was alleged to have fathered children with a slave named Venus who lived on his family's Virginia estate.

In 1999, *The New York Times* reported that the slave's descendants were seeking a DNA test to prove they were related to Washington.

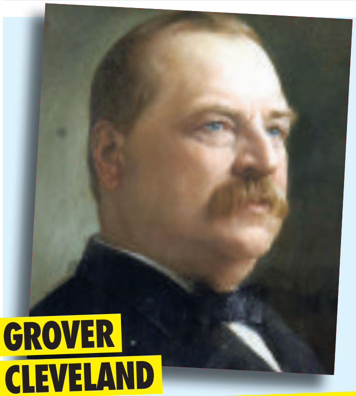
At 27 years old, Washington agreed to marry Martha Dandridge Custis.

Daughter

But while planning his marriage to the wealthy daughter of a landowner, Washington wrote love letters to Sally Fairfax.

In one note to her, dated September 12, 1758, Washington said he remained devoted to "a Lady", implying his forbidden love for the woman.

The apparently lovelorn man went on to say: "I feel the force of her amiable beauties in the recollection of a thousand tender passages that I could wish to obliterate."



GROVER CLEVELAND (1885-1889 & 1893-1897)

THE only American president to serve two, non-consecutive terms in the Oval Office, Cleveland was faced with quite a report during his first campaign for the White House.

***The Buffalo Evening Telegraph* broke a story that Cleveland, 10 years prior to his presidential bid, had a child with a young woman named Maria Halpin.**

Halpin was then sent to a psychiatric asylum while the child was adopted by another family.

She would later say that her affair with Cleveland was not consensual, alleging that she was raped.

Cleveland denied those allegations and won the presidency and his campaign said the affair happened while he was unmarried.

He got Halpin commissioned to the asylum, saying that she was sleeping around with married men.

JOHN F KENNEDY (1961-1963)

MODERN America's most feted president, Kennedy had a number of high-profile, rumoured affairs – most notably with Hollywood star Marilyn Monroe.

Kennedy said his father, Joseph Kennedy, told his sons to get "laid as often as possible" and liked telling anybody who would listen: "If I don't have sex every day, I get a headache."

As a Congressman in the 1940s and 1950s, Kennedy indiscriminately sampled from an array of women that included business leaders, strippers, socialites, secretaries and airline stewardesses.

And he became increasingly more promiscuous, reckless, and insatiable as he got older.

Even marriage to Jacqueline Bouvier in 1953 and getting elected to the US Senate that same year did not slow him down.

And in his relatively brief time in the White House, he had numerous affairs running from a 19-year-old intern, to a mob connected socialite, to blonde bombshell Monroe herself.

HOUSE, WE ASK... YANK

DONALD TRUMP (2017-2021)

PORN actress Stormy Daniels's allegations of an affair with Donald Trump are some of the most salacious to be made against a president.

The adult film star – real name Stephanie Clifford – claims she shagged Trump at a Lake Tahoe celebrity golf tournament in 2006.

She says Mr Trump's former lawyer Michael Cohen made her sign a near £100,000 non-disclosure agreement ahead of the 2016 US election and sued to dissolve the contract.

Misconduct

Ex-*Playboy* playmate Karen McDougal made similar allegations against the president, who prior to taking office was accused of sexual misconduct by more than a dozen women.

Trump was also infamously once recorded joking to a friend about women, saying he liked to "grab them by the pussy".

He denies all of the allegations against him.

RIDER ON THE STORMY: Porn actress says Trump shagged her

ACCUSATION: Gennifer Flowers

BILL CLINTON (1993-2001)

GOOD ol' boy Bill Clinton was mired in sex allegations way before he moved into 1600 Pennsylvania Avenue – which makes you wonder just how bad it must be, being married to Hillary.

The most high-profile incident involved his infamous Oval Office affair with brunette intern Monica Lewinsky.

But women such as Paula Jones, Gennifer Flowers, Kathleen Willey, Elizabeth War Gracen, and Juanita Broaddrick all levied accusations of sexual misconduct against Bill, too.

Clinton's lie that he "did not have sexual relations with that woman" went down in history and the proceedings have followed Lewinsky throughout her life.

Lewinsky reportedly masturbated with a cigar while President Clinton watched and WANKED as well, and she memorably kept hold of a skirt with his semen on it.

At the time of the cigar incident, the then Palestinian leader Yassir Arafat was supposedly kept waiting in the Rose Garden without a clue what was going on in a room next to the Oval Office.

According to court documents, a waitress at Lefty's Bar in Omaha, Nebraska, came from behind the bar on January 10 to see Triplett with his pants down, masturbating.

When the waitress threatened to call the cops, Triplett reportedly said "thank you" and left the bar.

Six days later, a court document states police officers were dispatched to the Hook and Lime restaurant after an employee had reported seeing Triplett masturbating at a table.

The city prosecutor said: "It is regrettable that this type of unacceptable and shocking behaviour continues."

He stated he usually seeks "maximum jail time for serial and chronic offenders".

Triplett had three lewd conduct convictions in 2020 to bring his total to 20 since 2012.

The two new reports made it 22 total lewd conduct convictions.

Triplett *(above)* was jailed for 150 days.

Psychologist asked for threesome

A PERVY psychologist stripped naked with a female patient and suggested a THREESOME with her flatmate.

Paul Joseph – also known as Paora Joseph – was accused of sexual misconduct for one or more therapy sessions with a female client.

The psychologist, from Whangarei, New Zealand, denied charges for engaging in sexual conduct with the woman in her home and taking advantage of the client's vulnerable mental state.

His conduct was branded 'seriously below' the standards of a registered psychologist.

The Health Practitioners Disciplinary Tribunal described it as 'immoral and unethical' and 'serious neglect of professional duty'.

The tribunal cancelled his registration and he will not be allowed to reapply to register again for two years.

SEX WITH KATE WINSLET WAS MY BIRTHDAY PRESENT!

Babe loved mashing her minge with Titanic star

By GRACE HOOPER news@sundaysport.co.uk

ACTRESS Saoirse Ronan said lesbian sex with Kate Winslet was a PERFECT birthday present!

Kate arranged the 25th birthday treat for close pal and co-star Saoirse by asking the film's director to change the shooting schedule for period romance movie *Ammonite*.

"It was the greatest present I could have asked for," said Saoirse, the Irish star of *Brooklyn* and *Little Women*.

"I had a wonderful time. I've never done a sex scene so intense and full-on before.

"But to be able to do that with her… I did feel very safe, like we could go anywhere with it.

Submissive

"It also gave us the excuse to have a couple of glasses of Prosecco before we got into it."

And Kate, 45, admits the on-screen chemistry between the two straight actresses continued after filming.

"We totally adored each other," the *Titanic* star said.

Kate also said their sex scene was an eye-opener, as she has always been the submissive partner in love scenes with men.

She said: "To be in a situation with Saoirse where it was utterly equal, it made me feel kind of angry at how that hasn't occurred to me before.

"Why shouldn't I have felt equal to my male counterparts?

"That's the way society is, and now we have to make a noise about it."

UPSKIRT PERV SIR IS CAGED FOR TWO YEARS

CAUGHT ON VID: Reppert was filmed ogling his sick snaps

Teacher took snaps 'to masturbate over'

A PERVY teacher has been jailed for two years for taking upskirt photos of female students.

By COLIN HURST
news@sundaysport.co.uk

Francis Reppert, 27, who once taught maths and coached tennis, was caught in late 2019 secretly taking photographs up girls' skirts and sharing the photos online.

Reppert was charged last January following an investigation that began in October 2019 after a student made a video of him viewing and zooming in on a photo of what appeared to be a student's legs.

When cops confronted Reppert about the video, he admitted he'd taken photos of the victim and intended to masturbate over them, a court was told.

Penis

Police later found more images, depicting three female students that were taken from underneath Reppert's desk on his own iPhone and a school-issued iPad.

Prosecutors told the court: "Investigators also recovered photos of Reppert exposing his penis inside the school.

Reppert, a teacher at the Palisades High School in Kintersville, Pennsylvania, was fired in late 2019, after nearly three years' employment with the district.

In court he pleaded guilty to indecent exposure and invasion of privacy.

Reppert will have to register as a sex offender for at least 15 years upon his release.

At his sentencing the prosecutor, Matthew Lannetti, argued for a sentence at the higher end of guidelines due to the trauma suffered by the victims and Reppert's abuse of his position of authority.

He said: "When we send our kids to school we are supposed to know they are safe.

"Other than being at home with their families, there is no safer place to be."

He noted that under current Pennsylvania law, it is difficult to impose harsh sentences on offenders found guilty of taking upskirt photos, because the offence is classified as a lesser crime.

Since Reppert's arrest, local lawmakers have proposed legislation that would lead to stricter penalties on "upskirting" cases, particularly when the victims are minors and the defendant is a teacher.

Another prosecutor, Matt Weintraub, said: "While Mr Reppert's conduct was taken seriously by the court in its sentencing, the court was limited by the constraints of the law as written.

"We are currently working with legislators to increase the possible penalties in instance sin which a teacher 'upskirts' a child."

Nude window-licker nicked

A LOON who terrorised residents by licking windows while STARK NAKED has been nicked by cops.

A woman had called police to report that a man had assaulted her, claiming that he had earlier taken off his clothes and licked her windows.

After a brief chase on foot, officers nabbed the suspect, who was then taken to hospital in Wichita Falls, Texas, after complaining of chest pains.

The un-named suspect, who unsurprisingly has a history of drug abuse, has been charged with assault.

Tammy gives Insta relief!

FITNESS mogul Tammy Hembrow has built her multi-million dollar empire on her famous curves.

And yesterday, the 26-year-old blonde bombshell showed off some of her famous assets in an Instagram post.

Posing in a grey crop top with matching knit pants, the influencer left very little to the imagination as she showed off some side boob, her washboard stomach and shapely bottom.

One fan said: "Her exercise regime works a dream – I've now got a right arm like Charles fking Atlas!"**

Cops seize £4k nutter won by pissing pants

A COLLEGE student pissed his pants on camera to win a wacky £4,000 contest – but the money was seized by customs officials and he never saw a penny of it.

Dan Holt, 23, fumed: "I got interrogated by police but I can't take the blame for this.

"It's wrong to take the money that I worked for."

Holt (*above*) first heard about the contest held on Instagram by the Finnish sunglasses company Nopeet in November.

It urged people to film themselves doing an "insane" stunt then say "Nopeet made me do it!" and post the footage online.

To win, Holt from Haugesund, Norway, shot footage of himself peeing his pants inside a shopping mall, among other stunts.

He posted the footage on Instagram and learned on January 5 that he'd won and would be sent cash from the company by mail.

But the package was seized by Norwegian Customs, and Holt was later quizzed by cops for failing to declare a large sum of money.

He said: "I didn't do anything illegal. I was just the winner of a competition."

House-hunt couple find body in yard

A PAIR of house hunters stumbled across a BODY while looking at a property.

While touring the home, which was under construction, the couple spotted a man's corpse in a drainage ditch behind the backyard, cops said.

The body appeared to have been there for several days.

He had suffered some trauma, though the circumstances surrounding his death weren't clear and an autopsy was ordered to determine the cause of death, police in Katy, Texas said.

The local Sheriff, Sgt Jason Brown, said: "As of right now, we're not really sure exactly what happened to the individual."

THE EVIL BEAST DOWN THE ROAD

WHEN Anwar Rosser needed a place to stay he turned to his kindly neighbours Sharon Smith and Guy Earwaker.

The couple had always been good to him, they even helped him furnish his nearby flat.

So when after a heavy drinking session he begged them to let him stay the night to avoid debt collectors, they were happy to help.

It was an act of compassion that would have horrific consequences – because unknown to them Rosser was a psychopath.

And he was about to murder their four-year-old boy...

LITTLE Riley Turner had just had one of the best days of his life,

The hills around his home town of Keighley, West Yorkshire, were covered in snow, so along with his mum Sharon, stepdad Guy and his twin brother he'd been sledging for the first time.

Exhausted after his adventures he was fast asleep as soon as his head hit the pillow that night.

By KOURTNEY KENNEDY

news@sundaysport.co.uk

He would never wake again.

Hours later his tiny, lifeless body was discovered in its blood-soaked bed.

Riley had been strangled and stabbed 30 times. The attack was so violent his severed windpipe had been sliced almost through to his spine.

Before he died he had been bitten and sexually tortured.

The man who had done the horrific deed was downstairs. He was waiting to hear the reaction to his brutal murder, wanting to hear the pain he had caused, the screams of anguish.

Only when he'd had his fill did he make his escape.

Guy heard the front door shut. He knew who was responsible for the death of little Riley, and he gave chase.

But he couldn't catch Anwar Rosser, the man who he had allowed to sleep on his sofa, the man who had betrayed his trust in the most unimaginable way.

Hours before Riley's death, Rosser had appeared at their door begging for help.

TRAGIC TOT: A neighbour brings a toy as tribute to the murdered boy

Debt

He was in debt to dangerous people and they were outside his flat. Could he sleep at their house?

The couple, who had met Rosser through a mutual friend, were happy to help out. They went to bed and left him on their sofa.

At 4am Rosser took three knives from the family's kitchen, to add to the one he had brought himself, crept upstairs and attacked Riley.

Something woke Sharon 30 minutes later and she found Rosser curled up in a ball by the side of her bed. She woke up Guy to ask him to leave.

A little while later she needed the loo. Scared that Rosser was still around she asked Guy to check.

When he did he saw a light on in Riley's room and looked in.

What he saw left him shocked and unable to speak. He retreated to the main bedroom.

Sharon followed him to Riley's room, and it was her screams that prompted Rosser to leave.

He was finally caught the next morning, hiding in a caravan on a nearby smallholding. Blood on the snow that morning in January 2013 led the owner of the caravan to him.

When confronted, Rosser told him: "I have ruined my life."

Illness

Later, when the police were taking him away, he told them: "What have I gone and done, eh?'

Rosser hoped that his immediate plea of guilty to murder, and his mental illness, would encourage the judge to

look on him more kindly on him when it came to sentencing.

It didn't work.

Handing him a whole life tariff Mr Justice Coulson told him: "Not one of the many experts in this case suggests that your personal disorder significantly reduced your criminal culpability, or that your responsibility for this crime was in any way diminished.

"It appears that you knew full well what you were doing when you were doing it.

"And the evidence demonstrates beyond doubt that you are an exceptionally dangerous man. The consultant forensic psychiatrist instructed by the Crown, considers that you present a risk that is immediate and grave.

Sadistic

"What is more, that risk could involve any member of the public. He considers that you pose a real risk of further acts of sadistic homicide which could involve further child victims.

"A whole life order is relatively rare, but I am in no doubt that in your case it is warranted in the wider interests of justice and public safety.

"You must go to prison for life.

"I therefore impose a whole life order. That means that you will remain in prison for the rest of your natural life."

Riley's mum Sharon had earlier told the court: "I wish I had told that monster 'no' that night when he asked if he could sleep.

"He said people were outside his house and were going to beat him up and I believed him.

"I didn't want him to get beaten up, but all along he had a knife in his pocket, plotting to hurt one of us, or all of us.

"I feel so much guilt that my poor son had to go through such horrific things because my kind heart did not want to let that monster get beaten up.

Unforgivable

Now my kind heart cost me my son's life.

"I don't feel like ever being nice to people at all, except my family. The guilt eats me away every day.

"What he's done is unforgivable, he's ruined our lives.

"I don't look forward to life anymore. I wake up now and just want to be with my son, Riley, so he's not alone.

"I can't bear to think he's sad and alone. Riley was always so happy and bubbly, caring and lovely.

"His twin brother misses him so much.

"We will never come to terms with what has happened and will always feel hurt at the way he was so cruelly and suddenly taken from us."

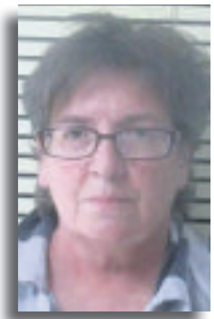
MISSING COVID WOMAN FOUND CHOPPED-UP IN FREEZER

Roommate arrested for murder

By GRACE HOOPER
news@sundaysport.co.uk

THE mystery of a missing woman came to a horrifying conclusion when her dismembered remains were found inside a freezer.

Cops say Talinia Galloway, 57, suddenly vanished from her home in Wagoner, Oklahoma, on April 7 last year.



ACCUSED: Bommeli *(above)* and victim Galloway *(top)*

Her roommate has now been charged with her murder.

One part of the riddle was a Facebook post before she vanished, in which Galloway revealed she was battling COVID-19 but was refusing to go to the hospital.

Dumped

She allegedly wrote: "Those of you who know me well know I have DNR orders in my health directive, and I'm not going to let anyone intubate me.

"So I've made arrangements to spend some quality alone time at one of my favourite hideaways at one of my favourite lakes, and I've booked it for the remainder of this week."

Later that day, her roommate Kore Bommeli reported Galloway missing.

Galloway's dismembered and decapitated remains were discovered in a freezer dumped in an Arkansas forest earlier this month, cops say.

Wagoner County Sheriff Chris Elliott said a witness reported seeing a truck with a trailer in a secluded area of the forest in June.

The witness was suspicious and followed the vehicle, but no one was inside when she caught up to it.

She noted a disturbing odour emanating from inside, along with a liquid gathering nearby.

She told police but never heard back.

But on January 14, the witness found the freezer and its grisly contents and gave cops the number plate she had previously jotted down.

The plate number belonged to Galloway.

BLONDE bombshell Bex White might look all sweet and innocent – but she loves TAKING CONTROL in the bedroom.

The 29-year-old, from Crawley in West Sussex, reckons she's the dominant force between the sheets and, not surprisingly, her lucky fella has no complaints.

She said: "I like to dominate – and my fella loves it when I do!

"It varies, but I'm a massive fan of me on top. It gives me so much more control over the thrust action and my orgasm."

Despite being confident at riding her fella to satisfaction, 32B beauty Bex isn't so happy at the thought of picking up a dildo.

Instead, she much prefers her man's fingers and tongue on her, saying: "Sometimes I just use a small vibrator.

"I'm not a fan of huge dildos – some of them look like big, scary monsters to me!

"A girl should not have to rely on something battery operated to get her off.

"Fingers and tongues work wonders for me!"

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

FRANK Lampard getting sacked by Chelsea is the least surprising news of the week.

But I won't be sending the Stamford Bridge legend a letter of consolation just yet.

He'll no doubt walk away with compensation courtesy of Roman Abramovich.

Which means he'll be in a far better position than any of the other poor bastards getting laid off across the country.

Besides, Chelsea have been shit, haven't they?

No wonder Jurgen Klopp's looking worried.

'Blood on your hands' is bloody boring!

HAVE you got blood on your hands?

According to some senior members of the National Health Service, yes, you have.

Several of "Our" NHS hospital consultants have taken a break from polishing their Aston Martins to have a swipe at the rest of us over COVID.

Blah blah blah...

It is by no means the first time I have seen that accusatory trope rolled out.

As a journalist for nearly 34 years, I always used to regard the shrill "blood on your hands" line as the last refuge of the scoundrel.

Always said by some public sector spinner trying to prevent us from delving any deeper into shocking failings that had led to the death of innocent people – kids, usually.

Mask

Never worked back then but probably will work now – now that large chunks of the national media has become nothing more than a compliant and unwavering mouthpiece for state propaganda.

Look, I absolutely appreciate the efforts of all those on the front line of this epidemic, but a bit less finger-wagging would be appreciated in return.

People are fed up enough without being told it's all their fault morning, noon and night.

Yes, stay in as much as possible.

Yes, wash your hands.

Yes, wear a mask when you're at the supermarket.

And yes, stick to the bloody distancing rules.

The vast majority of us are actually already doing that anyway, of course.

So stop pointing the finger at us.

Last time I looked, I wasn't China.

THERE is only one thing worse than hearing yet another government press conference will be taking place on the telly at 5pm.

And that's when they add: "With Matt Hancock."

SO, farewell Debenhams.

The knackered, old department store is no more.

New owner Boohoo is closing all the chain's stores and taking over its website.

And with the stroke of a pen, the high street changes yet again – and not for the better.

At this rate the only thing left in our city centres will be a Wetherspoons, a bookies, a burger joint, a couple of charity shops and a hairdressers.

Oh, hang on...

Ugh... poo've messed up my coffee break!

A WOMAN'S morning coffee was interrupted by a stranger doing a number two in her neighbour's yard.

In broad daylight, the man was seen squatting down *(above)* to do his business alongside a fence in New Farm, a suburb of Brisbane, Australia.

Shocked Holli McIntyre quickly pulled out her phone to catch the man during the dirty act.

"I've only lived here for a month," she said.

"It was not the welcome I was expecting.

"He saw me when he walked away but didn't seem fazed by me.

"I don't think this is his first public poop."

Holli shared the video on the New Farm community Facebook page, detailing the extent of the man's dirty deed and noting he had even brought his own toilet paper.

"Seems he was prepared for this," she posted.

"We've just moved to New Farm and thought it was a nice area... what is this."

Drugs gang gaffe as cocaine goes to grocery stores

A BOTCHED drug trafficking operation resulted in banana shipments stashed with cocaine being sent to grocery stores.

Police in Kelowna, Canada, said 21 kilograms of cocaine were shipped from Colombia as part of the failed drug deal.

"We believe these illicit drugs arrived in the Okanagan Valley as a result of a missed pickup at some point along the way," said Jeff Carroll, of the Kelowna Royal Canadian Mounted Police.

Workers at a Kelowna grocery store found 12 packages of cocaine hidden under a banana shipment.

Later that day, another grocery store owner contacted authorities after discovering the drug in their fruit delivery.

Police seized the two shipments of cocaine.

PLEA DEAL: Dunker was jailed after resigning from school *(above)*

A MARRIED teacher has been jailed for two years after she admitted having sex with TWO of her male teenage students.

By SUZIE SHELDON
news@sundaysport.co.uk

Laura Dunker, 31, was charged with six counts of sexual battery and one count of tampering with evidence in 2019 over her trysts with pupils.

In one incident, Dunker picked a student up before school and had sex with him in her car at a park, according to prosecutors.

In another, Dunker had sex with a different student at her home.

Dunker pleaded guilty to two counts of sexual battery in November under a plea deal in exchange for prosecutors dropping five additional charges.

Abuse

She was sentenced to two years behind bars and five years probation in the Cuyahoga County Court of Common Pleas in Ohio.

She must also register as a Tier III sex offender for the rest of her life.

Prosecutor Michael O'Malley told the court: "Teachers are expected to be role models to their students and communities which they serve.

"She took advantage of these students and now must face the consequences."

Dunker was arrested in December 2019 after an assistant principal at Bedford High School alerted Ohio authorities to abuse allegations against her.

Dunker admitted to sexual contact with male students, telling investigators that she would either drive them to a park or bring them to her house when her husband wasn't there.

Four of the sexual battery charges stemmed from one student and two from the other.

Dunker was also charged for tampering with evidence after she deleted 'numerous items' off her phone in November 2019 while 'knowing that an official proceeding or investigation was in progress'.

She resigned from Bedford High School and initially pleaded not guilty to all charges before agreeing to the plea deal.

The ages of the boys Dunker abused have not been disclosed.

Locals' fury as Georgia goes topless

LOVE Island **babe Georgia Steel has been slammed by Maldives residents for posing topless for Instagram snaps.**

The reality personality-turned-influencer, 22, has been abroad for weeks – claiming to be there 'for work' posting sultry snaps to social media to advertise brands.

And her latest work assignment was a topless snap – which seems to have angered the locals.

A local source said: "It may seem strange to Westerners, but coming here and failing to observe our laws and customs is incredibly insulting.

"Influencers who think the Maldives is just a great backdrop for their Instagram should stop and think before one ends up in jail.

"The resorts could also be in serious trouble if guests like Georgia are found to be generating [nude] images on the premises."

The UK Foreign and Commonwealth Office states of the Maldives: "Local laws reflect the fact that Maldives is an Islamic country. Violations of local laws may lead to a prison sentence.

"Nudism and topless sunbathing are not allowed anywhere, including on resort islands."

THE WORLD FAMOUS AGONY Page

Dear Sam,

I'M a reasonably good-looking 28-year-old single bloke – I recently divorced my miserable wife – and I work in a factory with lots of women, many of whom are married.

I really fancy one of them, a 35-year-old attractive blonde with a fantastic figure, and she's always up for a laugh.

We spend a lot of time together, enjoying a bit of banter and often talking really dirty to each other, and I've reached the point where I'm gagging to give her one.

The other morning we were chatting at the vending machine and she told me she'd had a dream about me shagging her senseless in the store room.

But I'm scared of asking her for sex in case she was only joking and knocks me back – before telling all the other women.

What do you reckon?

GS, Lancs

Sam says…

SOUNDS to me like she'd be up for it, so go ahead and take the plunge.

Dear Sam,

I'M an 18-year-old girl at college. I'm blonde, 5ft 8in tall with a trim figure and big boobs and I've had loads of snogs with lads my age but they all seem so immature.

One of my lecturers is really hot and a few weeks ago I lost my virginity to him after he offered me private tuition.

He spent the evening at his flat carefully going though my revision notes but ended up leading me upstairs and making love to me in his bed.

I'm not complaining because he was such a caring lover but I don't think I should go round again.

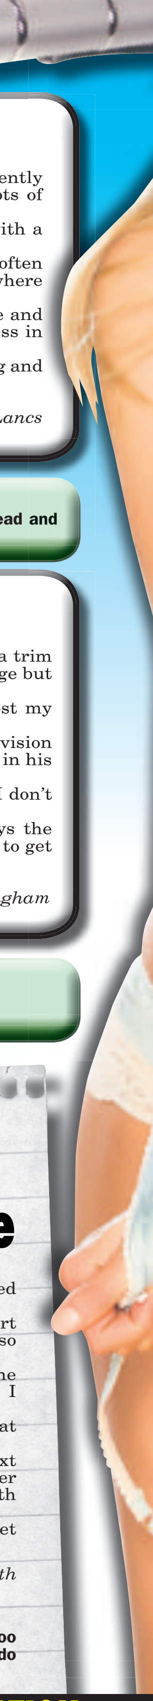
I thought he genuinely wanted to help me, but my pal says the lecturer has a reputation for this sort of thing and only wanted to get in my knickers.

Who is right?

TB, Nottingham

Sam says…

I'LL give it to you straight, don't be so naive!



Tall man banged me long and hard on car park table

Dear Sam,

I RECENTLY started a new job and there is a tall, fit bloke works in the accounts office there.

Last week we had a party in a local pub as we all celebrated a huge new order that had come in.

So I went along with one of the girls I sit with. Me and my pal were soon very tipsy and decided to tease the tall man.

He was up for a bit of fun, so we got him outside in the car park, under the pretext of just having a smoke.

There was no-one else around so I was quickly on him, kissing him with tongues and undoing his silk shirt.

Then my pal unzipped his trousers and let his massive cock spring out. It was eight inches long and I knelt down and started licking and sucking it.

My friend then lifted her skirt and pulled her knickers aside so that he could finger her.

I sat on a wooden table and he shafted me roughly until I orgasmed.

I sucked him hard again so that he could bang my pal.

The problem is that the next day my mate told all the other girls at work what we'd done with the tall man.

Now I'm terrified we'll both get the sack. What do you think?

DK, Weymouth

Sam says…

THAT'S the risk you run by being too frisky at office parties. Just don't do it again!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

Amazing lover has a pants obsession

Dear Sam,

I AM an attractive divorcee in my early 30s. Since my husband left I hardly go out, but a friend encouraged me to socialise more.

It was on a night at my local social club that I met my man. We hit it off from the beginning, although I was a bit cautious when it came to sex.

But after a lovely dinner and a few drinks, I invited him back to my place.

His foreplay was wonderful. He teased me with his fingers and then his agile tongue played against my clitoris until I was begging him to enter me.

Suspicious

He thrust deeply inside me, making me squeal with delight, and I watched with ever increasing ecstasy his big cock sliding in and out of me.

And when we reached orgasm he was so big and hard I felt the whole of me being filled.

Afterwards we lay in each other's arms, then he apologised for not being able to stay.

I was a bit suspicious, thinking maybe he was married.

When I cleared up the clothes I'd left behind, I was puzzled when I couldn't find my panties but decided it was nothing to worry about.

The next time he came round we took things more leisurely, undressing each other in the dim light of the bedside lamp.

I was already naked as I came to lower his trousers. Underneath, to my shock, he was wearing my knickers, stretched to the limit by the most enormous erection.

He laughed and said he wore them to remind him of me, but again I was left feeling slightly uneasy.

That soon passed as he again softened me up with his amazing foreplay.

He gently nibbled on my erect nipples before easing his tongue all the way down my body to tease my aching fanny.

Finally, he raised my legs high in the air and thrust hard into me.

We had the most wonderful sex and he brought me to the brink of climax over and over.

A few days later we met again and this time I pressed him to show me his home.

He seemed a bit reticent but he agreed. He lives in a very well-kept apartment which he bought after splitting with his own wife.

In his bedroom I could not help but notice a partly open drawer and inside were about 20 pairs of silky smalls.

When I confronted him, he admitted that he liked to keep and wear mementos of past lovers.

Now I feel I could be discarded just as easily. Am I worrying too much?

SD, Sussex

Sam says...

I WOULDN'T worry. He obviously loves his women and just has a harmless little fetish.

Manager's win bonus is sex with the team

Dear Sam,

A MATE of my wife has set up a football team. Because I'm a former semi-pro, she asked if I would manage them.

I agreed, but to be honest I wasn't looking forward to it. I thought they'd be a bunch of ugly lesbos.

I couldn't have been more wrong. When I got to the first training session, I saw all these fit birds.

After our first match I gave my strikers, two gorgeous 18-year-old blondes, a lift.

It wasn't long before one of them was sucking my cock while the other took her clothes off. I ended up shagging both of them.

Since then I've scored with most of the team. The centre-half loves anal sex, while the right winger loves to be tied up and taken from behind.

Porn

The skipper invites me round to talk tactics. This usually involves us watching porn videos of her having sex with her husband and his mates.

She then gets changed into her football kit, complete with shin pads and boots, and gives me a blowjob.

Then she takes her kit off, but leaves her boots on, and rides me.

The only problem is that my wife now wants to join the team. Obviously, I don't want her finding out about my 'team bonding' sessions.

What should I do?

KD, Newcastle

Sam says...

TELL your wife her idea is offside.

Dear Sam,

I'M a plumber and I've lost count of the women who've offered me sex in their homes.

For some reason they seem obsessed with my tools and can't wait to get hold of my plunger.

One woman asked to be taken from behind with a loo seat over her head and another took an unhealthy interest in a U-bend.

But now I'm a little bit more choosy about whose waterworks I check.

Generally, birds in posh houses are the most horny. They often have a lot of time on their hands as their husbands work long hours.

I remember installing a bath for a woman in a select area of town.

Within minutes she reached into my sack and started playing with my pipe.

I took the gorgeous blonde from behind, had my dick sucked, and then watched her masturbate with the plunger.

On another occasion I went to a house to plumb in a washer when I was greeted by two sexy brunettes in their 30s.

It wasn't long before I was shagging one doggy-style while the other licked her mate out.

My job is the best. Do you agree?

WF, Dorset

Sam says...

YES. But be careful you don't wear out that plunger!

...WITH JENNY McCLAIN, 29, 36F-26-36, FROM LEEDS

I'M single and after all these months of living in lockdown ANY sex would be amazing right now!

I have always had a healthy sex drive but now I'm essentially cock starved, I'm a frustrated nymphomaniac!

I can't stop thinking about it – I'm watching porn daily and I'm eyeing up guys at the supermarket every time I set foot inside one.

I fantasise that we make eye contact while I'm stroking a big banana… we flirt and I say: "Wanna break some rules?"

Next thing I know we are in my apartment, our clothes are ripped off within seconds, and we waste no time by f**king each other, fast and furiously.

It's animalistic and we shag in every position in the book. Stranger sex is so hot!

Of course in reality I am following COVID-19 rules, but a girl can still dream!

God help the fellas when I am finally able to let loose!

The busty glamour babe, who boasts a 34EE rack, has ticked off quite a few already – including on a moving Ferris wheel.

The 24-year-old, from Brighton, gets a thrill from spontaneous, risky sex.

She said: "I've got down and dirty in some crazy places – me and my ex once got naughty on a Ferris wheel on holiday in Spain!

"Remember holidays?!

"Shagging in a library was one I had always wanted to tick off, too.

"I genuinely had to look something up in the quiet reference area at the back and then the bloke I was with at the time gave me a cheeky look and we got carried away.

"It was so hard to stay quiet!"

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

TERESA MAY

ELECTRICIAN Wayne Heywood still fancies the pants off topless legend Teresa May.

Wayne, 45, from Macclesfield, says stunning beauty Teresa, now 50, is an 'absolute worldie' and says nothing turns him on more than her 30G boobs.

He wrote in to ask for a topless photo of the Epsom babe and said: "She is so fit, she's a real hottie.

"If I got her in a room alone, there would definitely be sparks flying!"

ADELE TAYLOR

RETIRED civil servant Kenneth Bolton is a regular reader of the *Sport* and wrote in to ask for a photo of his favourite girl, Adele Taylor.

Kenneth, 72, from Liverpool, reckons 29-year-old Wembley beauty Adele's 32D boobs are perfect.

He said: "It can get quite lonely and boring by myself, but I try to keep occupied.

"I read the *Sport* three times a week and no other girl but Adele really does it for me.

"She's such a sexy, stunning woman and I absolutely love her gorgeous photos."

BELLE BLACK

FARMER Harry Clayton might spend his days milking cows and mucking out pigs, but at night he loves to ogle Belle Black.

Harry, 38, from Penrith, Cumbria, begged for a snap of 28-year-old beauty Brandy, from Cobham, Surrey.

He said: "I see the back end of pigs as well as cows' udders all day, so there's nothing better than a photo of Brandy to perk me up."

The 29-year-old cracker, from Deptford in south London, laughed: "I just love being naked because I enjoy seeing my pussy.

"Obviously, I can't show it in the *Midweek Sport*, so I hope my boobs are enough for now!"

Stunnas

BENCHED: Gareth Bale

Jose: I don't care about big names

TOTTENHAM boss Jose Mourinho says he can't give players game time just because of their reputation.

He's clearly talking about Gareth Bale, Dele Alli and Harry Winks who have fallen way down the pecking order at White Hart Lane.

Bale in particular could say his loan move from Real Madrid has been a complete waste of time. The 31-year-old has made just one Premier League start since returning to his former club.

The reason could be the niggling injuries the Welshman has picked up. Mourinho says he won't play Bale — or anyone else — just because they are a big name.

ADAMANT: Mourinho

He said: "This week he is working every minute like everybody else at a good intensity and let's see the way he reacts to that load of work and how he reacts by the end of the week.

"If he feels, because it is also about his own feelings, if he feels that the week he had has had a positive impact on him and on his confidence, he will play.

"I cannot give players minutes. Minutes on the pitch is not something that I can give.

"I am going in this direction, we all know the difficulties he had in the last couple of seasons, we all know that he arrived injured and we all know that even this season a little bit up and down with small things.

"The most important thing for him is to be consistent training without problems.

"When a player is consistently training at high intensity without any problems, then the player is ready.

"Not to be given minutes but is ready to earn minutes and that is a different thing."

HOPEFUL: Murphy

Meanwhile, former Spurs midfielder Danny Murphy thinks the Londoners can still have a big say in the title race.

He also throws the likes of Leicester into the mix as the season looks wide open.

But he worries about either Harry Kane or Son Heung-min getting injured.

Murphy said: "Jose Mourinho has won enough trophies in his career for Tottenham to be worthy of a mention.

"There is a confidence in their squad but there is too much of a reliance on Harry Kane and Son Heung-Min for them to be realistic winners.

"I've seen them fail to see off teams too many times which has to be the main concern about them."

MISFIRING: Werner was a big buy for Lampard

220M REASONS TO LAMP FRANK

Transfer spend cost Chelsea boss his job

By PAUL THOMAS

PUNDITS think there are 220 million reasons why Frank Lampard got the boot from Chelsea.

That's how much he spent on players in the summer in a bid to get the blues back in the Premier League race.

But those buys haven't brought a lot of success with his headline signings Timo Werner and Kai Havertz falling well short of their form in Germany.

Chelsea have fallen 11 points behind leaders Man United and could struggle to make the top four.

That's why former PSG boss Thomas Tuchel has been brought in to steady the ship.

Gary Neville thinks the big summer spend meant the Stamford Bridge board were calling for instant results. It looks a long way off a side that could challenge for the title any time soon.

The Manchester United and England full-back said: "I'm not wholly surprised at the news.

"There were rumours starting to surface towards the end of the week that Frank was coming under pressure.

"When that happens at Chelsea, the end is pretty much a consistent one whereby the rumours start to come out and then it happens pretty quickly.

"I was a little surprised when I heard the news given that Frank has only had a short amount of time with a new group of players, but he was given a period last year when the club were under a transfer embargo, and that almost shielded him.

"He did a great job in that period but the minute the club started spending the money that they did in the summer and brought those players in, it was always going to bring a lot more expectation.

"We know what happens at Chelsea when more expectations come, in the sense that they want instant results."

Neville is adamant that the big spend meant Lampard has been given less time to get things right. But that won't have come as a surprise to Lamps.

He added: "With one of the biggest budgets in the league and the biggest transfer spends comes greater expectations, and at Chelsea over many years their approach to managers has been very consistent. Frank knew that when he took the job."

Neville points to the fact that is has taken just a few weeks for the Chelsea board to say enough is enough despite his legendary status with the fans.

He said: "The inconsistent form and results of the last six weeks has cost him a lot sooner than he would've imagined because of the fact that he's a club legend.

"All of us would've perhaps felt he'd have been given a little bit more time than he has been, but I suppose it's unsurprising in the way in which it's happened.

"My problem with Chelsea in the past is that it's always felt that the players have stuck the knife into the manager at times. I would hope that it's not happened on this occasion."

KEY MAN: Spurs have Harry Kane

MOUR WOE FOR KLOPP'S MEN

LIVERPOOL'S faint hopes of defending their Premier League title will go up in smoke at White Hart Lane on Thursday.

The Reds showed some signs of a return to form in their 3-2 FA Cup defeat at Manchester United at the weekend.

But they were still a million miles off the team that ran through the division before lockdown.

In hindsight, the writing was on the wall a little as they ran out of steam last season.

We assumed that was because the title was already won but maybe it goes a little deeper than that.

If you look at results since Project Restart in June, Jurgen Klopp's men have won just 14 of the 28 games.

Fire

If the league had started then they would be even further behind Manchester United than they are this term.

Just one league win in their past six isn't the kind of thing Reds fans have grown used to.

So a trip to Tottenham isn't exactly what the doctor ordered. That said, the Londoners have not been setting the world on fire themselves with two leagues in six.

Jose Mourinho's side were held to a draw by Fulham but put three past Sheffield United and Leeds either side of that derby stalemate.

So it's a slight surprise to see the bookies put Liverpool in as 6/5 favourites for this with Spurs much bigger at 12/5 and the draw at the same price.

Liverpool have long been out of sorts away from Anfield with just two road wins in the league.

That's shocking for the champions and they were well off the pace against Southampton last time.

Tottenham know how to grind out results and they can nick a narrow win at the general 12/5.

There are some crucial games on Wednesday too with Man United and Leicester both in action.

The Red Devils have much the easier game at home to Sheffield United.

This will be more of a test than you might think against the struggling Blades.

They may be propping up the table but have yet to be given a hiding by anyone.

It's precisely the sort of game that could trip United up and cost them the title.

But they should have too much for the Yorkshiremen in the end.

At 3/10 there's no point in just backing the home win. But this could be tight for a while so the 3/1 on offer with Sky Bet about United winning but the game being level at half-time looks the way to play.

Leicester have a difficult night at Goodison Park to deal with. The last time the Foxes lost a league match was at home to the Toffees so they have a point to prove.

Since then, Brendan Rodgers has steered them into the title race with four wins and two draws.

They have won seven of nine aways so will fancy their chances.

But there's no Jamie Vardy and that's a massive loss. Everton have picked up again too with five wins and a 1-0 defeat to West Ham in their past six outings.

This looks tight and it would be no surprise to see the game end all square.

That's on offer at 23/10 with most bookies. Everton are skinnier at 7/4 with the Leicester win chalked up at 8/5 which also looks too tight.

BIG MISS: Vardy is on the sidelines

CHANCE: Joe Root is in top form

ENGLAND CAN PUSH INDIA ALL THE WAY

CRICKET By ANDY MILLOM

ENGLAND are capable of pulling off a surprise Test series win against the mighty India next month.

That's the view of Sri Lanka coach Mickey Arthur who has just seen the Three Lions beat his side 2-0.

India are on a high after drawing their series away in Australia despite being crippled by injuries. On their home turf, Virat Kohli's side are almost impossible to beat over five days.

Arthur said: "I thought England have been really good. I've watched them go about their business, they've been very professional.

"I think they've got some players in good form, their bowling attack is wonderful, their seam-bowling attack is great.

"We saw good signs for England with Dom Bess and Jack Leach and Joe Root has batted at another level on this tour.

"So I think England can go to India with every chance of winning that Test series – I think it'll be a good one."

Skipper Root has been in spectacular form having hit 228 and 186 as he roared back to his best.

Arthur added: "Joe Root has been the difference, he's certainly been the beacon that I've always tried to use as an example to our batsmen.

"I think he's been quite outstanding."

The England captain is full of optimism as the squad now heads straight to India.

He said: "What we have got is a huge amount of confidence coming out of these two games.

"We've had to manage different situations and all of that will stand us in really good stead.

"Now we've got four very important games against arguably the best team in the world in their own conditions.

"We'll have to play right at the top of our game to win out there. But we couldn't be in a better place to go and challenge them."

Root admits it won't be a usual tour in a bio-bubble. He added: "We must be realistic: we are going to have eight days with no cricket now with six days in quarantine.

"Then we will have three very important days of preparation ahead of the series.

"We have to look at this as a platform and not be happy with what we've achieved."

MASSIVE JOB: Thomas Tuchel

New Chelsea boss faces big challenge

By JOHN ANTHONY

THOMAS Tuchel will not last long as Chelsea boss.

That's the verdict of Blues legend Chris Sutton who thinks the spiky German is the wrong man for Stamford Bridge.

Chelsea have just fired fans favourite Frank Lampard after less than two seasons at the helm. That hasn't gone down well with large sections of the club's faithful who wanted him to get more time.

And Sutton thinks Tuchel is far from ideal for a club notorious for getting rid of its gaffers.

He's just been sacked by Paris St Germain and is the type of coach who makes controversial comments to the media.

That won't go down well with the Chelsea board who are reportedly upset at some of the mild things Lampard uttered.

They were thought to be unhappy when he said the Blues didn't have one of the strongest squads in the league — after spending more than £200m. Sutton thinks Tuchel will fall into the same trap.

He said: "Tuchel is on his way and you expect that will end in tears.

"Tuchel isn't a yes man. He's fallen out with his past employers.

"The owner doesn't mind hiring Tuchel and firing him in 18 months, so long as the German delivers a big trophy or two."
